

Bernhard Peters

Sore team

As I understand city counsel has voted on this development and on a legal stand point we should stay neutral if the development dose go forward i would like to see it have and old town feeling not very tall and in keeping with are old town heritage.

1) yes we should try to finalize a new Official Plan within the first year and key element is to keep are heritage intact and put development in areas that will not come in conflict with it

2) Glendale is the gate way and should be were shops business and hotels commercial development should go Queenston and St Davids And Virgil should be family communicates and N O L Lake should be heritage tourist orientated

3) 4) As I understand city counsel has voted on this development and on a legal stand point we should stay neutral if the development dose go forward i would like to see it have and old town feeling not very tall and in keeping with are old town heritage.

5) N O T Lake preservation and sensitive use of other heritage buildings should be maintained to insure the future success of are tourist industry and be part of the official plan and i would work to keep it that way , working with public and business to get the best input going forward

6) have public, business and development communities to work together to come up with plans and present it to council before we make decisions

7) If any expansion into farm land should be done on the land itself have seen good farm land developed on while land not good for farm sit empty and not use for anything
